

Aviation.

We are a provider of global specialty insurance and reinsurance products offering risk transfer solutions to brokers and clients.

Lancashire Insurance Group has operations in London, Bermuda and Australia and we are fully focused on establishing long-term and mutually beneficial relationships with our customers.

Our expertise and specialised products are underpinned by our agility and strong corporate culture that ensures we offer the best possible service at all times.

- The aviation account at Lancashire Syndicates Limited is written out of Syndicate 3010 and utilises both Lancashire Syndicates and Lancashire capacity.
- Lancashire's Aviation team are market-leading, providing multi-line bespoke underwriting and claims solutions on a global portfolio of risks.
- All business is predominantly written through the Lloyd's broker network and the majority of risks are accepted through open market placements.
- The aviation business is split into four categories, Airline, General Aviation, Aviation War, and Hull deductible.
- Additionally, through Lancashire Insurance Company (UK) Limited, we offer significant capacity to the XS AV52 market.
